Dear Junior

Congratulations on being invited to this seasons training camps.

As of last season we changed the format slightly and split the sessions into two.

We felt this was a better way of running the squads therefore will be continuing with the same format this season with a B squad from 1000-1300 and an A squad from 1300-1600.

All those U17 squad players that attended the morning squad will now be in the later squad, and all the U15 players will remain in the morning session.

We will assess all the juniors over the first training date and then form the basis of the two squads. The idea is to get players training together of similar ability regardless of age.

Please find attached to this letter a Registration Form. Can you please make sure it is filled in and returned at the first squad along with a cheque for the first four squads.

The squads will cost fifteen pounds per session, so along with the registration fee you should bring a cheque for eighty pounds. I will NOT be accepting cash on squad days so to avoid being turned away please bring a cheque made payable to SUSSEX SRA JUNIORS!!!!

Squad Dates

September 5th Squad day

September 11th and 12th Area Closed

September 25th and 26th Junior County Closed
