

SUSSEX TRIUMPH AT THE REGIONAL CLOSED CHAMPIONSHIPS

Sussex dominated the finals of the Regional Closed taking 3 titles at U13 Girls (Jasmine Hutton 3-0) U13 Boys (Curtis Malik 3-0) and the U17 Boys Title (Cameron Western 3- 0 – an all Sussex final against Stuart Allcock).

The U19 Girls event was a very close affair with Martha Possegger narrowly losing in the 5th.

There were also many personal achievements from players that did well in a full monrad system with varying results and some good quality squash played.

The event was well supported with a high level of players entering from Sussex, these players were a credit to themselves and their County.

The event took place over the weekend of 11-12 September 2010. at the impressive facilities at Surrey Sports Park which opened this April.

This tournament is open to all players in Sussex, Surrey Kent and Middlesex, these counties together make up the London & South-East Region and forms the basis of the Regional Training programme.

Sussex have an excellent County Training programme and this weekend's success reflects on the quality coaches we have in the County and what an excellent job Ben Hutton Mike Harris and Graham Stevenson are doing with our players!

Well done to all the players, keep training and enjoy what should be a full and exciting squash season with many County events and two England Squash Sanctioned events in Sussex in the coming months.
