

SUSSEX LADIES INTER-COUNTY WEEKEND STAGE 2

The Sussex team had a great county weekend hosted by Oxford comprising of :-

1. Hannah Wright-Davies
2. Zoe Shardlow
3. Claire Young
4. Kelly Eastment

Prior to the county match we had a few players with other commitments and sickness which pushed us to the limit meaning we had to play with 4 players. We remained positive and knew this would be tough as it was the play offs for promotion to the Premier Division.

Our first game was against Oxford who seemed to have a weakened team where we managed to win 4.1. This was a great start and our confidence was up! Next our rivals Hampshire who on this particular weekend had their strongest team!! Unfortunately we went down 4.1 with Kelly Eastment having a great win at 4.

After observing the other teams that day we knew Sunday was going to be a challenge!! Middlesex were very strong and ended up being the eventual winners of the weekend. Again we lost 4.1 but with our strongest team out I believe we would have come second instead of 3rd but this was an achievement with a player down.

Sussex finished with our heads held high and every player gave it their all and put in a great effort. We look forward to our next weekend in November competing in a very respectable division 1!
