

Sussex Squash and Racketball is pleased to announce that Dotsquares, the Sussex based digital design and development company specialising in bespoke websites and web applications, mobile apps, SEO and Hosting is to become the main sponsor of Sussex Junior squash.

Commenting on the exciting new partnership between Dotsquares and Sussex Squash Bankim Chandra (Managing Director) said:

“We are proud and delighted to have the opportunity to forge this new partnership between Dotsquares and Sussex squash. Like ourselves Sussex squash is a dynamic, forward thinking organisation and we wish them all the success their dedication and hard work will undoubtedly bring.”

On behalf of Sussex Squash Graham Stevenson, the County's head coach added:

“ We have achieved a great deal to date, operating on a self-funding basis and we are proud that England Squash acknowledge our success. The key to ultimate success is to strive to improve and keep improving. Dotsquares support will enable us to provide an even greater level of expert support for our youngsters. Everyone associated with Sussex Junior squash is grateful to Dotsquares for their support and we look forward to a successful long term partnership.”

Sussex Boy's and girl's teams are having a very successful 2014/5 season. 3 teams reached the National Finals where the under 13 girls and under 17 boys finished 4th whilst the under 15 boys in the National Trophy and the under 17 girls won this event. The county boasts a really strong under 11 contingent soon to compete in two Inter County Festivals. The

sponsorship agreement with Dotsquares comes at a time of great success for Sussex Junior Squash and it coincides with squash's latest bid for inclusion on the 2020 Olympics.
