

Dear club,

As you will be aware, ESR are currently reviewing the affiliation system nationally, and are looking for responses to a consultation, via an online survey which you can complete at <https://www.snapsurveys.com/wh/s.asp?k=143619130702>. All respondents will be given the option to enter a prize draw to win either a workshop from Paul Carter (Head of Coach Development) or three boxes of Dunlop balls for their club.

As a county, we strongly encourage all clubs to complete this, and to give open and honest feedback to the governing body about its membership and affiliation scheme. Please take the time to do this; the more clubs that respond, the stronger the message to ESR.

Thanks and regards,

Simon Tunley, Secretary
Sussex Squash and Racketball
