

Another National Title for Sussex Squash

The **Sussex U-11 Boys' Team of Jonah Bryant, Tom Greengrass, Heston Malik and Charlie Williams won the recent E.S. U-11 Inter-County Festival**, to join the U-17 Boys as **National Champions**. They played and behaved with distinction at the one-day event at Kenilworth Squash Club, and were simply a class above the opposition, dropping only one game en route to the title, which obviously augurs very well for the U-13's next year, and indeed, for future years to come. The 2nd Team of Bailey Malik, Sumner Malik, Jake Sim-Baskar, and Calum Porter finished 17th, after road-work delays prevented a full team doing justice to their potential in the first match.

Photos of both Teams, with Coach/Managers Zoe Shardlow and Graham Stevenson are attached.

Congratulations are also in order to Zoe Shardlow, who has been selected to represent England Ladies, in the 'age-group' Home Internationals this weekend. Graham tactfully points out that this is just a few years after her debut for England Juniors!
